Panel discussion and Q&A on College and College Prep

If you have kids who are in or about to enter the High School years, this meeting is for you! Our panel of parents who have "been there, done that" will give advice and answer questions about everything college related, particularly in preparing for it.

This meeting is open to the public and other homeschool groups have been invited.

Valentine's Day Party

NOTE: While the meeting is open to the public, the Valentine's Day Party is not. To sign up your child for for the V-day party, follow the directions [HERE](#).

Homeschooling 101

If you have friends who are interested in home education, invite them to come to this meeting at 6:00 PM, before the regular meeting. [Maha Poindexter](#) will be happy to help and answer questions.

Eighth Grade Graduation

Interested in having your 8th grader go through graduation?

It is an evening in May to celebrate and bless and encourage our 8th graders as they enter into their 4 years of high school. It is usually about an hour long with cake reception at the end.

Cherry Pie Day

Coming up on April 9!

Cherry Pie Day is a proactive effort to remind our legislators—as well as our governor—that homeschoolers are very, very politically active, and we zealously protect our hard-fought-for homeschooling rights. It is a worthwhile investment in our children's and grandchildren's lives, as we remember that is much easier to keep our liberties than regain them once they are lost.

You are welcome to attend the activities for the day, meet your state representatives, hear speakers, tour the capitol, and meet hundreds of other homeschoolers.

You are also welcome to bake a cherry pie (or two or three) or donate money to have others bake or purchase them.

Teenpact

Speaking of Springfield, do you know what Teenpact is?

Their Four Day State Class is a dynamic, hands-on leadership experience where students learn about state government from a Christian worldview. Students gather at their local State Capitol to run for student office, participate in a mock legislature, and learn about how they can be effective leaders in their community back home. For students ages 13-19.

At the Four Day class, we seek to foster servant leaders who realize their potential to make an impact here and now. We start each day with a time of worship and a devotional, followed by a Prayer Walk around the Capitol where they have an opportunity to pray for the leaders of their state. The heart of TeenPact is larger than just government, and we seek to start every day focusing on what is most important.

During the Four Day class, students learn how a bill becomes a law, hold committee meetings to discuss the bills they wrote, and participate in a class election where they are able to run campaigns in various capacities. This provides a behind-the-scenes knowledge of the election process, as well as an opportunity to step up in leadership among their peers.

There is also a 1-day class option.
